

Women's 5K Classic Grant Application 2017

The Women's 5K Classic (W5K) began in 1993 for the purpose of promoting fitness among women. The event has grown to thousands of participants providing a venue for women of all ages in the Lehigh Valley and surrounding communities to connect with our mission which aims to:

- Promote fitness among women and to invite women to participate in running and walking to improve their physical, mental, and emotional well-being;
- Support programs which educate, support and help prevent all Breast and Gynecologic female cancers and to contribute to funding for related programs and research in the Greater Lehigh Valley;

The W5K is currently accepting applications for innovative and meaningful projects from non profit agencies in the Greater Lehigh Valley that are consistent with our mission.. **The Women's 5K Classic is proud to announce that over \$2,900,000 has been allocated to such programs since 1993. Applications must be submitted by October 31,2017.** Applications will be reviewed by the Grant Committee of the W5K and awarded before the end of 2017
